---

## SUMMARY

Information Systems student at Universitas Indonesia with a strong interest in web development and project management. Experienced as a Teaching Assistant in Information Systems Management and actively involved in COMPFEST as a division PIC and staff in Editorial Marketing. Passionate about learning, building, and collaborating on tech-driven solutions that address real-world challenges.

---

## EXPERIENCE

**Teaching Assistant for Information Systems Management,** Jan 2025 - Jun 2025  
**University of Indonesia**

- Reviewed and graded individual and group assignments submitted by students
- Responded to students' questions and provided academic support

**PIC of Editorial Marketing, COMPFEST (University of Indonesia)** Jan 2024 - Dec 2024

- Led a team to plan, write, and publish 15+ bilingual articles on COMPFEST's Medium blog, enhancing online visibility.
- Oversaw editorial workflow from ideation to proofreading, ensuring content quality and brand consistency.

**Event Coordinator Staff, KMK Fasilkom UI** Jan 2023 - Jan 2024

- Coordinated project tasks, ensuring adherence to engineering standards and regulations.
  - Conducted comprehensive project analyses, identifying and rectifying discrepancies in engineering designs.
- 

## PROJECTS

**Amerta** - An Enterprise Information System for PT Amerta to manage inventory, customer, and employee, developed using Spring Boot. (<https://amerta-frontend-six.vercel.app>)

**Read & Brew** - A cross-platform café app with ordering and book borrowing features using Django and Flutter.

**Marmut** - A fictional music streaming web app built with Django, supported by a relational schema designed using SQL.

---
